SOHOTTISCHES, WALTZES, GALOPS, and a Fancy Pastry and Confectionery Business on his MAN be obtained in the FINE GRANITE premises, Queen's Road, oppusite the Or ental GODOWN, in rear of Me-ara: PHILLIPS, DUETTS and SELECTIONS from favorite Bunk, and hopes from his long experience and Moore & Co.'s Premises, nearly opposite the Apply to LANDSTEIN & Cq. at 167 Hongkong, 16th January, 1867.

Extracts.	Hou
Financial Companies.  While the Prince of Wales, with three other	·
heirs to European thrones, is emisting at the nup- tiuls of his new Imperial sister-inclus, substantial business has been done in our own metropolis.	L I
The Russian Emperor has obtained a Luan of £6,000,000, with a facility that must make him wish he had asked for more money, or for.	
better terms. For the above sum, which is the proportion of the Loan assigned to London and Amsterdam as much as £20,000,000 has been ten-	
dered, and the sorip is now at:2 per cent. pre- mium. It is estimated, indeed, that, taking sli	Storero On th
things into account, the interest promised is 64 percent,, and the Bus-inn pays his debts well. His troth is "for better and for worse;" and not even	Bedroom room. The
during the hitterness of the Crim-an war did he flag in his payments. Accordingly, he can get money when he choses to offer good terms	roomr, Wate For f
way or other home enterprise could get half the sum or a third, even at a better rate of interest,	1F 13:
we see all this sum or the greater part of it flow- ing out of British into Russian coffers. For want of money not only private speculation but public	THA!
works are at a standstill, or only creep on; and for want of a million in the hour of need Companies reputed to be worth five or ten times	taining house as
that sum have been reduced to insolvency.  Though every Loan lays the indebted country under tribute, and Russia thus becomes as much our	Water I Posse 1867.
tributary as if this amount payment were the ran- som of her capital, still we see the resources of	For F
our own country for the present so much diminished, and at a time when the loss is palpable. Unfinished undertakings, suspended works, and	$\mathbf{A}^{^{\mathrm{Pl}}}$
schemes not carried cut to that full development upon which the calculations of profit were made, are little better than wrecks: What wreck in-	±F 27
deed, is more piciable than the bare ribs of the chip that rots in the deserted building yard, or the weather-scarred carcass of the unfinished	W
house? The cry now is for money, and money there is in the country. Old Governments, and	$\mathbf{T}^{HA}$
even new Governments, Governments in their do- tage, and Governments hardly yet in their intancy, can get our money; but we have now come to that	Garden Donaul. contain
pass that few names are more suspected than the Englishman's. The British Government, indeced, still maintains its proud supremacy among debt-	Verand Fo
ors, and there are names in England that seem to share its honour and stability, but the lower, atmosphere of the commercial world is all confu-	
sion and distruct, and the world seems to be weiting for some sign by which they may distinguish the good and true men. This is mean.	tf 26
venient; in many instances it is even ruicous, and not a little disgraceful. For yours past we have all had our spears at the speculative character	HARO Messrs.
of foreign traders. Bome of these "obickens are flying home to roost," and what we have been wont to say of others we must now hear said of	, tf. 26
done "is an old cry, and it has been even said	PEE ce
that the worst legislation is that which has sprung of necessity, or from that false conving which is thought real hunger. But commercial	eliting The
honour, and stability happen to be matters which our Parliament has always taken a fatherly in terest in, sustaining and cherishing them by a	Me-ere. Poses
series of Auts extending through five or six cou- turies. It has always been assumed that the temptations to dishonesty, of various kinds, are	ef-25
very numerous, very subtle and very difficult to be resisted. Whether the Legislature has al- ways been wise in its remedies is another quis-	A D moders
tion; but the assumption on which it has legisla- ted is undoubtedly true. In such matters as the for- mation and management of Companies, and many	tr 24
other affilies, few people know, or sven can be mide to learn, what is strictly honest, and what	(C) (C)
is not. Few know upon what principles they must unnage the money intrusted to them by a confiding public, what risks they may fairly run	17.22
with it, and where lies the canot line between their own interest and that of the general body: f share-holders. Men of business know too well; and	BARR
ethers learn too often to their cost, how ew people are lit to be trusted with money, even when the conditions of the trust are the plainest and sim-	1 2
plest that can be, and the object on in which they hould feel deeply interested. Even if there is nothing to be done but to keep the fund intact.	T Wo
and transmit the dividends, may be to their near- est relatives, still there will be occasions whon they will feel irresimilly tempted to use the money	Mesara same p THRE
to suf their own convenience, or to include their we fancy; to horrow, as they think, for a time, and to run some risk, the profit of which shall be	snitable whole
for themselves; the loss—they shut their eyes to that possible contingency. If this he not uncommon in the simplest private trust, when all the	For t
parties concerned are a family group, face to face, and bound by personal love and respect, what chance is there of a higher standard of feeling in	FOR.
the relations of a Board of Directors, with a large staff of engineers, lawyers, contractors, financial agents, and proprietors, with special interests.	
with a multitudibons, nameless unseen, unknown body of shareholders, many of them only the last purchasers of the stock at a speculative or depre-	principi into Oi
cisted rate? There can hardly be imagined a position with more inducements, we say not to	de 15
ben at to udventures and practices for the ben at of the few at the risk of the many, Every business owned by a Company and managed by	THE
Directors lies under this among other great dis- advantages: It supposes the existence of people of great ability and experience, who, for a slight	tf 15
removeration, not much honour, and no patron- age worth mention, will bestow as much atten- tion on a very large and difficult husiness, as if it	Jan & C
were entirely or chiefly their own. All experience tends to prove that such men are very rare; and certainly not numerous enough for the demands	tf 1
made on the class. There are, indeed, happily, many men with the requisite shilling and information, but—and here comes the difficulty.	Tue Welling
—these men have generally acquired the power and the habits of husiness under the stimulus of private profit and personal advance-	and two prising ledt
ment. They are men who have got on, having taken good care of themselves, generally running a good deal of risk, but upon principles ad-	Aoni Fo
mitted in the commercial world. But it is their habit to regard things as they bear upon them-selves and their friends. They cannot help looking.	$2^{rac{GH}{2}}$
to what is called "Number One." They find them- selves, therefore, ingthis dilemma—either they give very little attention to the business of the	about 2
Direction and become dangerous, eighers, or they give their full attention, but with a game of their own. That game of their own prospers sometimes.	€f 35
while the Company decays; and the result may entity be what we witness at this moment-	Out-ho
spareholders and debenture-holders rained, and a few men unaccountably rich. If Parliament has any duty and is good for anything it is good for	heing l togothe ties ma
this, which is plainly its duty. Lawyers, More- chapts, Bankers, and Bailway Contractors and Directors abound in the House of Commons, and	For tf 14
increase from Session to Session. What, then, is the reason that the commercial honesty of this nation, as evidenced in its largestmand most	IN:P
prominent transactions, and particularly those of a public character, is rather going back than improving? Various reseons may be as-	ef 26
signed, and the depreciators of the existing House will be ready with theirs; but in these matters it is natural to look first at the chiefs, and ask who-	and at
ther they have done their duty. The leaders of Parliament and the chiefs of parties have latterly been so absorbed in some very grand question.	Вгиви
among them various proposals for the reconstruc- tion of the Legislature—that they really have not had time for a task so delicate, so invidious, so ad-	tf 8
mitting of postponement, and so uncertain to bring its own reward, as the enforcement of commercial	i to
morality and the proper discharge of truets in the muougement of our Railway and other Companies.  Nor can it be doubted that with Free Trade, and in its telemobant property, there entered a certain	age in modera
in its triumphant progress, there entered a certain unbidden and parasitical appendage, in the shape of a feeling that if people of a certain class be out to left along the triumphant by the triumphant to do their data.	H E
ly left slone, they can be trusted to do their duty without Parliament ever stunding at their elbows. Unhappily, we have had free trade in morals as	CLTPH.
